Description			
While upgrading one of my FreeNAS jails I received the following error:			
PACKAGESITE in pkg.conf is no longer supported. Convert to the new repository style. See pkg.conf(5)			
<ul style="list-style-type: none">In order to correct this, I did the following:			
<pre>mv /usr/local/etc/pkg.conf /usr/local/etc/pkg.conf.old cp /usr/local/etc/pkg.conf.sample /usr/local/etc/pkg.conf chmod 640 /usr/local/etc/pkg.conf</pre>
